

THE BIG THINK – THE INTENT, IMPLEMENTATION AND IMPACT JOURNEY

THE BIG THINK programmes comprises 60 values-themed Assembly and Lesson kits for ages 5 to 7 and a further 60 for ages 7 to 11. Using a dialogic approach and a mix of different elements, such as mindfulness tracks, contemporary stories, roleplay, circle discussions, singing, journals and calls to action, gives children the tools to understand and engage with the world around them and so develop the capacity to learn well and achieve.

The practical modules are designed to fulfil Spiritual, Moral, Social and Cultural (SMSC) expectations, including the British values, the statutory curriculum for Relationships, Sex and Health Education (RSHE) and Personal, Social, Health and Economic (PSHE) education.
